## SB-5

2POCKET Value Counter / Denomination Sorter

Denomination  
Sorting

Value  
Counting

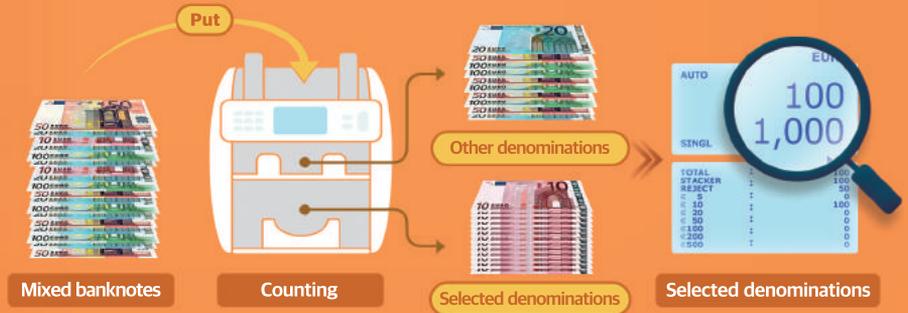

Superfast  
Counting

## Why 2POCKET?

### Denomination Sorting

Selects a single denomination from mixed notes

### Value Counting

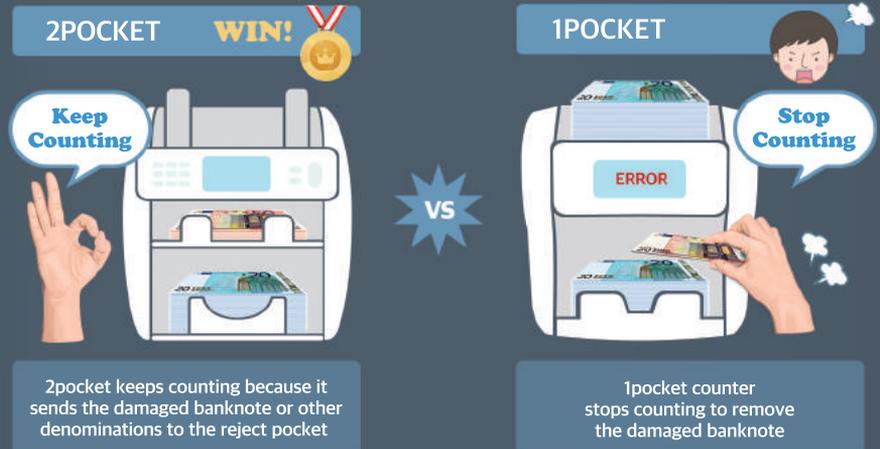

Mixed denominations can be counted at the same time

### Superfast Counting

When counting damaged banknote or other denominations, 2pocket keeps counting because it sends the damaged banknote or other denominations to the reject pocket

When counting damaged banknote or other denominations,
